

Year 2 Term 6

Term 5 Recommended Reads

These books can be found in our Year 2 Top 100 Books!

The Big Book of the UK by Imogen Russell Williams and Louise Lockhart

Nen and the Lonely Fisherman by Ian Eagleton

Narwhal: Unicorn of the Sea by Ben Clanton

Reading

We will be having daily Little Wandle phonics lessons to help build our reading skills, as well as developing fluency skills.

We will also have reading sessions in small groups. Through these sessions, we will develop skills in decoding new words, reading with expression, and comprehending the text.

When you read with your child, please record the page they have read up to so that we can change their books at the appropriate time.

Writing

In our writing lessons we will be starting with *Fox*, a descriptive poem, before starting to look at *Grandad's Secret Giant* by David Litchfield. By the end of term, we will aim to write our own version of the story with a focus on morals and acceptance of others. We will achieve this by using present and past tense consistently and correctly, creating and describing characters and adding suffixes

True or False?

People use a compass to tell them what the weather will be.

Maths

Our Maths focus in lessons this term will be looking at time before moving on to statistics and position & direction. You can support your child with maths at home by helping them tell the time on both digital and analogue clocks, making tally charts and practising their left and right.

Project

Our project this term is called *Coastline*! We will look at the coastlines around the UK, including human and physical features at the coast. We will also explore how to use a map to locate places, learn about erosion, and discuss the different dangers that may be present at the beach.
